OLF Holley Expanded Private Drinking Water Well Sampling Area

The Navy is offering to resample private drinking water wells that were previously sampled by the Navy from 2021 through 2024.

- The sampling area was expanded in consideration of:
 - 2024 DoD Policy
 - Previous data
 - Groundwater flow direction
- You can identify if your property is in the sampling area using the Find My Property Map on this webpage

LEGEND

- Additional PFAS investigation recommended
- Runway
- Base boundary
- Confirmed groundwater flow direction
- Potential groundwater flow direction
- 2021-present sampling area
- 2026 expanded sampling area
